proudly presents:

Deva-Marie Beck, PhD, RN

**Co-Author of "Florence Nightingale Today:
Healing, Leadership, Global Action"**

Dr. Deva-Marie Beck will present an illustrated lecture on Florence Nightingale, the most recognized nurse in history. Nightingale left a worldwide, multi-cultural legacy from her work in Turkey during the Crimean War and her far-reaching interdisciplinary contributions, for more than 40 years, to contemporary global health. Dr. Beck will also introduce the Nightingale Initiative for Global Health (NIGH International) to honor

and celebrate this legacy for present-day nurses and for all citizens concerned about health in the 21st century.

The lecture will be held at
Ottawa City Hall, Councillors' Lounge
on **Wednesday, October 19th**,
at 7:30 PM.

Members free. Non-members \$5.

Copies of "Florence Nightingale Today: Healing, Leadership, Global Action" will be available for autographing during this event.
