As preferences differ and some like the rides and some enjoy walking and skating, we do not want to decide on your behalf – so once we're there, you can chose the attraction that best suits you and your family/friends. CATWAO will only collect the bus fare so you can be free to decide on how to best spend your time in the Village.

For the benefit of new members who joined after November 11, the date of the first announcement, we have extended the deadline for reservations to Friday, NOVEMBER 28 – please contact
